

# Life in Jesus

by Paula Abbott

Life in Jesus is more than I knew,  
It's a brand new beginning for me and for you.  
His love abounds greater  
Than I ever dreamed.  
Just listen to my story,  
You'll see what I mean.  
He lives inside me,  
This I know,  
For in the Bible he tells me so.  
The Holy Spirit dwells in me,  
And through me does the work.  
There's nothing in the flesh I do  
That's worthy of the Lord.  
I stand in faith,  
And not by sight,  
That what I believe,  
Is actually right.  
I'm a branch and He's the vine,

Much fruit I'll bear when he says it's time.  
It took Moses 40 years to get  
What God gave him.  
But in the end,  
The blessings came to  
The Moses God did send.  
So you see, you can't hurry God.  
You just have to wait.  
He promises us Eternal Life  
And a pass through Heaven's Gate.  
So trust in the Lord My friends,  
And get yourselves right,  
For the harvest is near,  
It's in your sight.  
I'll pray for you all;  
You all will I miss.  
Just look towards Jesus,  
Because there's "Treasures in the Darkness.
