

ROMANS 7

(SATAN MISUSES MY FLESH!)

All my God-given human faculties are misused by Satan as long as I operate from the lie of the phantom-I. That is the basic reason that we mistakenly hate ourselves. When we can see that the real culprit is Satan disguised as us, and not the human self, then by The Body Death of Christ on the Cross, we are set free from Satan's hold on our precious humanity.

Christ rightly uses our precious human faculties as His right means of expressing Himself by us.

Righteousness is simply—right-use-ness.
