

Satan's Deception

Satan disguised as a “good me!”

Satan speaks to us in First Person

I say to myself: “I can do it; I can do better; I’ll work harder at it; I’ll keep myself from doing evil.... I’ll do good.”

Independent-self is any self-activity based on self-reliance: Improve me, protect me, defend me, preserve me, and save me and mine).

“Whosoever shall save his life shall lose it; and whosoever shall lose his life for my sake shall find it” (Luke 17:33)

There is no “Independent-Me” to perfect or to become more spiritual!
