

The Satanic "I Will"!

“Satan has stolen God’s creation away to make unto himself a kingdom of servants, expressing his perverted nature of self-for-self. This rebellious satanic “I WILL” that first perverted Lucifer, infected mankind in the Garden and is the same “I WILL” that Paul struggled with by trying not to covet in Romans Seven. And it is the same, “NOT MY WILL,” but Thy will be done, “that Jesus relinquished in the garden. This satanic “I WILL” is thankfully the same “I” that was crucified with Christ (Gal. 2:20) on the Cross two thousand years ago defeating the satanic rule in mankind.”
