

"THE JESUS REVOLUTION"

JUNE 2-5, 2022

THE LATTER DAY RAIN OF THE SPIRIT

"I will pour out my Spirit upon all flesh and your sons and your daughters shall prophecy." All this "before the great and terrible day of the Lord" (Joel 2:23-32)

The Winds of the Spirit are blowing mightily during this time of worldly conflict. Disturbances seen and felt by Believers are opportunities for faith and God's calling-card preparing and conditioning us for the outpouring of God's mighty Holy Spirit, who will reveal to with us "The Deep things of God." So, in times like these, what do you see? Can you see that every trial, every temptation, and every painful situation has a seed of hope hidden in its depths with the potential of great glory? It is like a precious treasure waiting to escape from its prison held only by your own unbelief keeping it from having its final glorious reveal. Release it to the Lord and discover the redemptive power of its hidden glory!

The latter-day-rain of the Holy Spirit quickens our divine minds to understanding God's mysterious "ways." How does He bring great light out of great darkness, and peace out of sorrow and conflict? The Spirit is calling us to go "Deeper and Higher" which will prepare us to discover God's "Hidden Wisdom."
